Dear students,

You are probably worried about the corona virus. The University of Düsseldorf has decided neither to close the university nor to keep certain groups of people off campus. So far, the university has asked everyone to stay off campus if they feel sick. This is a protective measure to prevent the spread of the disease.
You can therefore continue to plan your stay in Düsseldorf as planned without any worries. If there will be any changes, we will inform you immediately. However, we do not expect any changes at the moment.

Viele Grüße
Anne Gellert
